EPA Grants News & Updates

The EPA is excited to announce two updated training courses for EPA grant applicants and recipients!

The EPA [requires](#) new grant applicants and recipients to complete these trainings before receiving EPA grant funds. The EPA defines new applicants and recipients as organizations that have never received an EPA grant or organizations that last received an EPA grant before Fiscal Year 2015 (before October 1, 2014).

If you currently manage an EPA grant or are interested in applying for one, we highly recommend that you take these updated trainings.

EPA Grants Management Training for Applicants and Recipients
