

Georgia Radon Symposium

Join the UGA Radon Program, Environmental Protection Agency (EPA), the Department of Community Affairs (DCA), the Centers for Disease Control and Prevention (CDC), Georgia State University (GSU), and several other radon professionals as we discuss the radon's role in our state.

Speakers will cover topics such as radon in air, radon in water, mitigating homes, gamma and radon findings, and more.

WHEN: Wednesday, January 27th

9AM—3PM

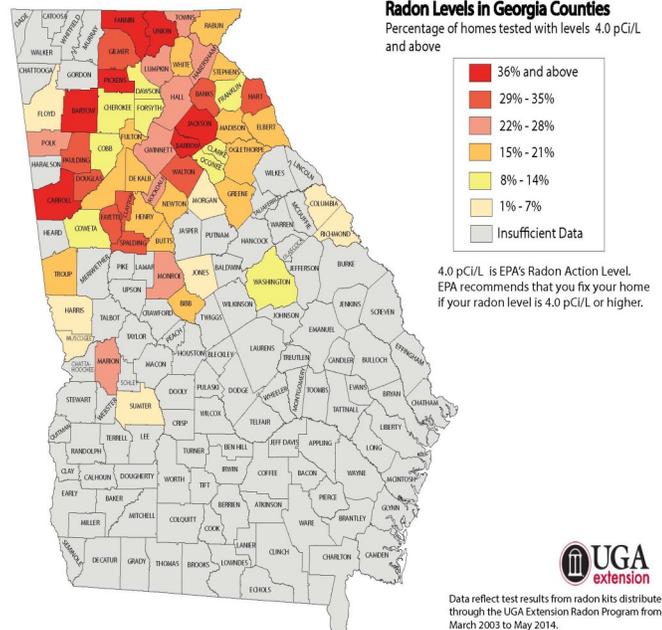

WHERE: UGA Gwinnett Campus

2530 Sever Rd NW, Lawrenceville, GA
30043

COST: \$20. Lunch will be provided.
