Indoor Air Quality Association Workshop

The St. Paul / Minneapolis Chapter of the IAQA will host its eighth workshop on Tuesday March 19, 2013 at the Ramada Plaza Minneapolis.

This workshop features vendor table top displays. The number of spaces available is limited to ten. Cost is free to IAQA members and \$100 for non-members.

Workshop Topics:

- **Radon in Schools Update**

The Minnesota Department of Health has new information regarding radon in schools as a result of extensive testing that has been completed.

Presenters: Dan Tranter, Minnesota Department of Health

- **¹Nine Elements of a Successful Health & Safety Program**

An overview of National Safety Council's publication that provides a good safety management framework for improving safety compliance and program effectiveness.

Presenter: Tom Kapfer CIH, St. Croix Environmental & Safety, LLC

- **Mercury in Schools**

Learn about the findings of a long term study to determine the level of mercury contamination in K-12 schools.

Presented by: Carol Hubbard, Minnesota Pollution Control Agency and Dan Tranter, MDH

- **Update on Proper Fungal Sampling Techniques and Assessments**

Presented by: Jodie Bourgerie, EMSL Analytical, Inc.

- **Vendor Display**

Ten spaces are available for vendor table top displays. The cost is free for IAQA members and \$100 for non-members.

Workshop Location: Ramada Plaza Minneapolis, 1330 Industrial Boulevard, Minneapolis, MN 55413

Workshop Date and Times: March 19, 2013 ► Registration: 8:30 AM (continental breakfast provided)
► Presentations: 9:00 AM to approximately 2:00 PM (Lunch is provided).
